

# We are preparing for when we meet again!

The global Covid-19 crisis has presented us all with new challenges. Our team of GL events Group Fisa is working hard to make our events safe and successful. In this way, we all collaborate in reviving the country's economy.

## COVID-19 PREVENTION PLAN

TRADE SHOWS  
CONGRESSES  
EVENTS

### We will increase health and safety measures

- Obligation to wear a mask
- Temperature monitoring
- Permanent cleaning and sanitizing
- No contact policy
- Waste disposal policy
- Digital promotional material

### We will guarantee individual and staff safety

- Staff with mask and face shield
- Hydroalcoholic gel dispensers
- Handwashers
- Sanitizing rugs

### We will enable physical distancing

- Floor demarcation / divisions
- Capacity calculation according to distance for Congress, Business Roundtable and Gastronomy areas
- Maximum number of people per booth

### We will implement crowd control policies

- Attendee flow management
- Online registration prior to the event
- Restaurant with additional hygiene measures

### We will encourage and enforce the measures

- Signage with the measures to follow
- Medical service points
- Isolation rooms
